British Library collection C1516. If the filmmaker gives permission, selected films, will be added to the British Library BL C1516 International Folk Music Film Festival, Nepal, collection. The catalogue can be searched on-line <http://sami.bl.uk> but the films are not available for streaming they are only available for viewing by researchers who visit BL's reading room in London, UK. All other film makers, over the last 9 years, have been pleased to give their permission. We ask if you will also agree to your film being added to this collection. Please check the box if you agree.

RELEASE
